If you were suddenly taken ill or involved in an accident which resulted in you being hospitalized here in Spain , or even if a fatality occurred, would the Spanish authorities be able to find out easily whom to contact on your behalf?

We at HELP VEGA BAJA have devised a scheme where we hold your personal details securely on file, and provide you with a card which you carry together with your normal ID document. This card gives instructions in English and Spanish for the finder to get in touch with us, so that we can contact your next of kin , close friend or solicitor .

Please find below the application form which, if you are interested in our scheme, you should complete and return to us.
